

## Luxury Modern Villa

A selection of luxury modern villas currently under construction with sea views and directly in front of the Ria Formosa.

These Villas are being built to the highest standards and will be due for completion towards the end of 2019. Within walking distance of Praia Baril and the small town of Luz de Tavira. The town of Tavira itself is accessible by car or bicycle, with all its restaurants, bars and shops. Viewing is highly recommended and reservations are now being taken.
